**Re: In The Matter of the Application of Intelligen Resources LP For A Certificate to Provide Electric Supply Services within the State Of Delaware (Submitted March 12, 2015) - PSC Docket No. 15-0755**

---

Dear Mr. Tate,

On July 7, 2015, Intelligen Resources LP ("Intelligen" or the "Company") submitted an application ("Application") with Delaware Public Service Commission (the "Commission") for an Electric Supplier Certificate ("ESC") to act as a Broker in the State of Delaware pursuant to §1012 of the Electric Utility Restructuring Act of 1999, 26 *Del. C.* §1001 - §1020 (the "Restructuring Act") and 26 *Del. Admin. C.* §3001, the Commission's Rules for Certification and Regulation of Electric Suppliers (the "Supplier Rules").<sup>1</sup>

On April 2, 2015, Staff forwarded Intelligen a list of deficiencies that required additional documentation in order to fulfill the minimum filing requirements ("MFRs") in accordance with Section 2.4 of the Supplier rules. A response date of April 30, 2015 was requested by Staff. The Company addressed several of the deficiencies in a subsequent filing May 6, 2015. On May 11, 2015, Staff advised the Company that the information submitted in the subsequent filing was not sufficient to fulfill the MFRs for this application. Documentation regarding expired and revoked licenses in the states of New Jersey and Ohio were still outstanding, as well as the Certificate of Good Standing for the state of Delaware. The Company's contact forwarded the requested documentation on May 20, 2015. Following the legal review process, additional documentation was needed to satisfy the Restructuring Act and Supplier Rules requirements. Communication was forwarded to the Company's representative on September 3, 2015. To date, no reply has been received from the Company or its representatives.

At this time, Intelligen's application as submitted March 12, 2015, and amended May 6, 2015 and May 20, 2015 has not satisfied the requirements under the Restructuring Act and Supplier Rules to receive an ESC in the state of Delaware. The above referenced docket is now closed and the Application of Intelligen Resources LP for an ESC is considered abandoned. Should the Company decide to pursue an ESC in the future, a new filing and filing fee would be required.
